

Rainbow Golf Club is a challenging 18 hole USGA Championship course. The original nine holes were opened in 1956 making RGC the oldest course in the area. Over the years it has enjoyed constant improvement. Recently, the entire course was rebuilt to include an additional nine holes and in the summer of 1996 RGC became the newest 18 hole course in Greene County.

With four sets of tees, there is a challenge for every skill level and our focus is on families. The rolling terrain is popular with walkers and riders alike. Our signature 12th hole is the most challenging and is followed by the 13th which boasts an island green - a 'Double-Trouble' challenge everyone looks forward to.

tees	total yards	course rating	slope rating
gold	6283 yds	71.5	126.2
blue	5843 yds	70	122.4
white	5155 yds	69.2	119.5
red	4348 yds	68	119.5
